

## **New music by Ricardo Santiago Soto THE SETUP drops July 4**

(Buellton, California USA) RS-IP L3C announces the release date of THE SETUP, which is new music by Ricardo Santiago Soto. The Setup is based on a true story of being victimized by the intelligence community and their consistent abuses of power. Therefore, the setup has it's bad points, as well as, good as lyricized to the end of the track.

"This track is out for justice challenging the system. Lyrics are all original and based on a true story. I am the rapper artist-performer," declared Ricardo Santiago Soto, MBA. "I am the producer. I am a member of SCL. This track is attached to the upcoming documentary 'Intelligence Community Abuses: The Interviews II.'"

'Intelligence Community Abuses: The Interviews' is out now @ <https://youtu.be/Uc9xqVSlquk> and <https://www.awardz.quest>

PROSECUTE is Mr. Soto's first track facing intelligence community members terrorism hiding behind cyber technology @ <https://ffm.to/mv7oaa0>

This is Ricardo Santiago Soto's seventh (7) music track as he continues to work on three (3) albums.
